Relations often continued to be strained through the mid-th century, erupting into conflict during the War of and again verging on war when Britain almost supported the rebel Confederacy in the early part of the American Civil War. Dan Plesch. But what is not contested is whether Europe needs to make its own choices—choices rooted in its own values, its own culture, its own history.

Partly because it shows how easy it is for to get taken in by self-serving memoirs. Other Editions 4. Faure also noted that the French would not oppose German acquisition of tactical nuclear weapons. Four months into Truman's presidency, Churchill's party was handed a surprise defeat at the polls, and Clement Attlee became Prime Minister.
