succession of movements, but Movt. 2 the irregular harmonies
at the beginning of the 2nd as well as at the end of the 3rd
movement and the thematic connection between minuet and trio
may be inter- preted as means to establish the global musical
process in the quintet. Beethoven in particular is credited

with developing the genre in an experimental and dynamic fashion, especially in his later series of quartets written in the 1790s up until his death.
