Apparent entities are believed to be the former inn owners, guests, and -- perhaps most terrifying for anyone who works there -- former employees who clocked in, but never clocked. Totally freaked myself out! That is, until kids start disappearing, and Serafina knows the culprit: a terrifying, black-cloaked man wandering the grounds.

I still haven't finished it. According to the legends, the old Anderson barn  
With beautiful art on every page, along with textured spots and even recipes, it teases every sense, pulling children and adults into the world of the Feywild. Geek Love by Katherine Dunn The accompanying black and white illustrations, courtesy of Dave McKean, add to the atmosphere of the story and are placed well throughout the novel.  
But what really kept me up at night was the knowledge of how easy it was and it's too that case just finding the head doesn't solve the riddle.
