Ben Brantley, writing in the New York Times, found Golden Child less caustic than earlier plays like Family Devotions, writing that it "has the evenhandedness of a debate moderator who wants, above all, to be fair. The role of a woman has evolved from being someone not allowed to have an opinion, to the owner of a multi-million dollar company. His religious conversion has startling effects on the members of his household as each of his three wives struggles to come to terms with his spiritual and social reawakening. ItwonanObieAward.
