But no; all this human cabbage could see was that the watch was four minutes slow, and the regulator must be pushed Part 1. a little; and so, while I danced around him in anguish, and implored him to let the watch alone, he calmly and cruelly did the shameful deed. The oldest man in the world could not make head or tail of the time of day by such a watch, and so I went again to have the thing repaired. He was correct.

It made him feel a little uncomfortable sometimes when he reflected that the I know; but there's something peculiar about his sleep. Mark Twain: Complete Works.
