A red cross is commonly used as a symbol for medical and humanitarian relief workers in war zones and at the sites of natural disasters. But we cannot remain passive. Mentors can have a transformative effect with their words of advice, with their actions, or .

Throughout history, men have built things, fixed things, and defended us from. This is when you are released from your earth bond and you become your full spirit self. For Vincent, balance was restored via the written word.

Sell now - Have one to sell? Several unexplored issues involving heroic transitions. July 16, legendary President of South Africa Nelson Mandela delivered a speech in support of the Mindset Network, a non-profit organization designed to improve educational opportunities for children of all ages. The reward for the completion of a heroic journey is the return home to who and what we are, the return home to a health and healing of mind,

body and spirit, a return home to a renewed life of authenticity, joy and freedom.
