We're talking a world-class, totally unique, work of literature here, addressing both the future of the human race and the inner workings of the human psyche in a manner that's never been done. The author has used the research very well which provides a very solid grounding for the story. Error rating book. Flagasinappropriate.Theplot. But, there's nothing that make my jaw drop. Fiona is a tough-as-nails kickboxer with a string of trophies to show for it. Atthesametime,thereisafascinatingsecondarythreadthatdelvesintothe... successful.
