Ratings and Book Reviews 0 1 star ratings 0 reviews. No, cancel Yes, report it Thanks! AddToCart. While Murray was covering some important points and I enjoyed the information he presented therein, such a prolonged discussion of and response to objections at that point may have been better placed in a footnote or a longer tome which expands on the subject. His understanding of the law and articulation of the covenants are both overly simplistic and at time forced exegesis not derived from text.
