Through the projects and activities contained in this book, it is possible to understand how the central component of networking in Italy is the web of relations: going to a conference, participating in a festival, talking and sharing projects with others, organising a thematic meeting and at the same time, meeting in a bar or a restaurant with people who share our interests, become creative occasions to produce new activities and projects. Per il CSX un ex-deputato. Even for this reason, mail art is also alive today, for it is based on relational mechanisms part of our daily living and feeling, which go beyond the fashion of the moment
