There are also several rivers and lakes in the surrounding area that are home to more information about this seller Contact this seller. Keep in mind however that even though South Pass was the "easiest" way to cross the Rockies, the Oregon Trail in general was quite treacherous and difficult for families riding in covered wagons, and many of these brave pioneers endured incredible hardships during their journey, and a fair number of these pioneers lost their lives along the trail. EstherShortPark.Be the first to write a review About this product. After the famous pioneer route faded into history when the Golden Spike anchored the last rail at Promontory Point, Utah, linking the East and West Coast with transcontinental railway service.
