Thus, an increase in costs is supposed to be achieved.
Shareholders, who have been holding shares for a longer period
- usually 2 years - are granted a double voting right by the
company. Publish now - it's free.
Managers have to learn to create global organisations with shared values and
This was the basis of different working styles, decision
making and communication processes within the company. What
was conceived to become a common objective and a shared ident-
ity will then turn into the opposite and trigger rejection and
the setting up of psychological barriers between two companies
that are supposed to grow .
If management gives up the defense battle too soon - e. O. Nagreed to do business
by Stuttgart University.
