The CD seems as if it is no longer supported. I usually make them in quizlet. Great progress has already been made by some in advancing educational frameworks and tools to help each person reach his or her intellectual potential.

My recommendation would be to download and print out the exam objectives from Made a study guide using the objectives on my second wave of reading. Take it. I took the exam last weekend and surprisingly passed.

Could you please recommend good preparation material or where to get sample questions have been through the electronic version of the course and I am sure that with this additional help will give me the edge I need.
