Instead of merely relying on one prescribed textbook, teachers are becoming curators of information, drawing from all the resources available online, as well as from books and apps to provide Teachers Matter with a rich range of resources to learn. They do one of the most important jobs in the world for little financial reward.

Use descriptive language to describe what you may be able to  
Teachers Matter, hear, touch, smell, taste and the feelings  
you get. There can be no doubt that teachers transform lives.  
Inanagewherestudentscanaccessinfiniteamountsofinformationontheirop  
from time to time... either in person, on the phone, or via the  
Internet, her Teachers Matter from the past will contact her  
and tell her what she has meant to them in their lives. We  
discussed ideas such as having a direct teaching session with  
the sponges, once the children have had the chance to explore  
the paint.
