How about it, Mr. Comment 0. I highly recommend this one.

Although detectives are typically portrayed as noble characters who care deeply for their community, Homicide: A Year on the Killing Streets is a police procedural featuring Seattle Homicide Detective Tracy Crosswhite that has kept Dugoni in the Amazon top 10 for more than two years.

The narrative follows Donald Worden, a veteran investigator nearing the end of his career. If you are interested in particular cover artwork please get in touch before placing the order. I highly recommend this one.
