Sorry, dude. Yet, all children will like the adventurous storyline of "Johnny". Very good His mom hurled things, but she was still his mom. Another favorite is the stuffed pizza creation called the Brooklyn Brawler. The label was finally closed a year later. I really think this was an excellent book indeed! When Depp bought an island in the Bahamas, it was Brando, owning his own Tahitian island, who advised him to make sure his house is above sea level.
